

StockMusic.com's royalty free music and sound effects ("Content") are sold to you with a lifetime non-transferable license ("License") for synchronization rights & master rights only. By accepting any Content, you acknowledge and agree to the stated terms, conditions and limitations of use. In the event of a breach of this License agreement, action may be taken against you directly by the owner of the copyright. Content must be purchased directly from StockMusic.com. Unauthorized resale or redistribution of Content is prohibited.

Rights Granted

You have the right to modify the Content in length, pitch and/or format as required for use; to synchronize Content with audio and/or visual productions or applications such as: film, video & TV productions • training, marketing and trade show presentations • corporate videos & educational applications • on hold messages & advertising • radio presentations or commercials • television programs or commercials • musical recordings & live performances • speech & audio book products • Web pages & multimedia presentations • Online & live streaming and video broadcast sites such as YouTube • Social Media such as Facebook and X (formerly Twitter) • PowerPoint & Flash productions • interactive programs & computer games and synchronized content for Apps • AV & computer generated displays, podcasts (all such applications hereinafter referred to as "the Production").

You may create copies of the Production for distribution, including distribution for sale, without limitations - no additional clearances or paperwork are required. You may also synchronize Content an unlimited number of times and distribute the Production worldwide without restrictions. The rights and limitations to Content as outlined in this License agreement are in effect for the life of the Production and pass automatically to the End User of the Production.

Please note however, that all rights not expressly granted within this license are reserved.

Limitations

Copyright infringement is a serious offence. StockMusic.com protects its copyright by all necessary means, including legal action. You are NOT authorized to:

- Make copies of any unsynchronized Content, in any format. This License has the sole purpose of granting you the rights to specific audio and/or visual synchronization of Content. The registered user is granted a single user license, meaning that only the registered user can use Content. This License is not transferable.
- Copy, duplicate, provide access to, sell, lease, loan or give away unsynchronized Content by any means including the World Wide Web, streaming audio or any delivery method now known or which shall become known.
- Use Content in an AI (Artificial Intelligence, Machine Learning or Neural Network System) app or program for any purpose including but not limited to the purpose of creating similar or unique sounds.
- Use Content in the production or creation of an NFT (Non-Fungible Token) whether for sale or distribution by any means.
- Transfer, re-record, copy or duplicate any Content, in whole or in part, for any purpose not authorized under the terms of this License agreement. You may not transfer Content electronically or via any peer to peer file sharing program, FTP site, service bureau operation, DRS, computer network or in any way not expressly allowed by StockMusic.com.
- Provide remote access to unsynchronized Content to any user except the registered user.
- Provide Content in whole or in part as mobile telecom audio content such as ring tones, ringback tones, soundscapes, multimedia messaging services (MMS), voice messaging, audio enhancements, greeting mail services or other content applications now known or which shall become known.
- Provide Content in whole or in part within other mobile communications or entertainment applications, such as iTunes Apps, or as unsynchronized content offered in software packages.
- Provide Content in whole or in part within retail toys, electronic sampling products or program chips.
- Sell or otherwise dispose of computers, hard drives or discs or any other electronic storage media which contain Content, unless all the Content has been deleted. All Content maintained on any computers, hard drives, discs or any other electronic storage media must be deleted before the disposal, transfer or sale of any computer, hard drive or disc that contains Content.
- Add new instruments, melody or lyrics to any StockMusic.com Music owned or represented by StockMusic.com without prior written consent of the copyright owner.

Specific Limitation for Subscription Clients

- During your active Subscription to StockMusic.com, the rights and limitations to the Content (as outlined above in this License agreement) are in effect for the Productions you create and those rights and limitations pass automatically to the End User of the Production regardless of the status of your Subscription.
- When you Unsubscribe from StockMusic.com you are no longer licensed to use Content that you may have previously acquired in any Production to be produced while you are Unsubscribed.
- When you Unsubscribe, all Content maintained on any computers, hard drives, discs or any other electronic storage media must be deleted.

Performing Rights & Talent Releases

Performing rights represent the entitlement of music composers and publishers to benefit from the public performance of their compositions. Performing rights societies like ASCAP and BMI in the United States and SOCAN in Canada, as well as many more around the world, have been established to collect and fairly distribute performing rights revenues to music composers and publishers. If you use StockMusic.com Music in a television show, a feature film or a documentary production, please file a cue sheet with your local performing rights society, as a courtesy. You will not be required to pay any additional fees or costs when you file a cue sheet.

Warranty

StockMusic.com warrants that your use of Content in accordance with this License agreement does not infringe on any third party proprietary rights.

Liability

StockMusic.com accepts no responsibility for any loss of business or business profits resulting directly or indirectly from the performance of any Content. StockMusic.com's liability is limited and restricted solely to replacement at no charge of the Content in question.
